Secretary to the Government
of His Highness the Maharaja of Mysore
General Department, *Bangalore*

SIR,

In forwarding herewith a Statement received from the President, Municipal Council, Chickmagalur, re- the filling in the appointment of the Chief Officer sanctioned by Government in their Order No L 1559-60/M1 306-27 dated 15th August 1925, I have the honor to state that Government while passing the Budget Estimates of the Council sanctioned the appointment and directed that separate proposals may be sent in this matter The expenditure to be incurr in this connection has also been provided, in the sanctioned Budget Estimates for the Current year (vide G O No L 1559-60/M1 306-27- dated 15th April 1925)

2 The Chief Officer besides being an Ex-Officio Assistant to the Head of the Municipality in carrying on the executive affairs, will be required to supervise and control the several works of the Municipality in addition to special works, such as, Town Improvement, &c It will also be one of his important duties to supervise the efficient working of the water supply of the town, which is a source of constant trouble, requiring the services of a professional man

3 Thus, as explained above, an Officer having good experie in Engineering, for the satisfactory technical supervision of all the

Municipal works is necessary It is a matter for consideration whether it is desirable to advertize the post The services of an experienced Officer of the P W D I think may be ordered to be placed at the disposal of the Municipality Orders of Government are solicited in this matter

I have the honour to be,

Sir,

Your most obedient servant,

H C Ramaswami

Deputy Commissioner,
Kadur District

has reported that the grade sanctioned for the Chief Officer post is that of an overseer & that a graduate-overseer without experience will not be of much use. He has however suggested that an overseer who has risen from the ranks may be selected for the place ~~sanctioned~~ The Municipality may kindly be informed of this & they may be asked to select a suitable man in consultation with the Chief Engineer & submit proposals regarding

Yours truly
